

職業安全健康局

Occupational Safety & Health Council

The Occupational Safety & Health Council is a statutory body established in 1988 for the promotion of higher safety & health standards at work in Hong Kong. Applications are invited for the following post:

GUEST LECTURER

Responsibilities:

1. To teach occupational safety, health and hygiene subjects in day-time or evening training courses offered by the Council; and
2. To assist in the preparation of course materials.

Requirements:

1. Degree, diploma or certificate in occupational safety, health, hygiene, engineering, technology, or a relevant subject to be taught.
2. At least three years relevant experience in the subject area to be taught (post-qualification experience preferably). Preference will be given to those candidates who are a Registered Safety Officer or a corporate membership from a recognised professional institution in engineering, safety, health or hygiene, or other equivalent qualifications relevant to the teaching subject.

Honorarium: depending on qualification and types of work involved.

General Information:

Applicants should send their complete C.V. to the **General Manager, Occupational Safety and Health Council at 19/F China United Centre, 28 Marble Road, North Point, Hong Kong or email to hr@oshc.org.hk**. Please mark "Application for GUEST LECTURER" on the envelope. All information provided will only be used for recruitment related purpose.
