

HYGIENE TIPS WHEN TRAVELLING TO WORK

1 Check temperature daily, if having COVID-19 symptoms (e.g. fever, fatigue, dry cough and or shortness of breath), put on a surgical mask, refrain from work, seek medical advice immediately and notify supervisor.

2 Wear mask when taking public transport or in crowded areas.

3 Avoid touching eyes, nose and mouth after touching the public facilities or surfaces.

4 Bring along alcohol-based sanitizer for cleaning hands.
